**New Business**

Councilman Don Sonnier objects to levying the General Municipal Millage rate of 6.99 mills for tax year 2020. He says that the rate of 6.99 mills was passed to make up for the sales tax revenue that the town lost when the store was closed. Now that the Dollar General store has opened it looks like that sales tax revenue is back. He thinks we should roll back to 3.99 or 3.5 mills. He does not feel the need to levy the millage at 6.99 mills at this time.
